MEMORANDUM FOR: Director of Central Intelligence
THROUGH: Deputy Director for Science and Technology
SUBJECT: OSI Study, Chemical Warfare Activities in Cuba

1. The purpose of this memorandum is to bring the subject study to your attention.

2. OSI follows the CW/BW developments in all the Communist countries on a continuing basis and publishes studies such as this whenever significant developments occur which should be called to the attention of our military planners.

DONALD F. CHAMBERLAIN
Director of Scientific Intelligence
